MEMORANDUM FOR: Colonel Stanley J. Grogan  
Assistant to the Director

SUBJECT : Proposed Address by Allen W. Dulles  
for release August 9, 1962.

1. We have reviewed the preliminary draft of Mr. Dulles' proposed address and, generally, find no security objection to its content.

2. It is presumed the references to the secret speech of Khrushchev, appearing on pages 14 and 16 of the draft, relate to the speech obtained by Agency covert resources and later released and publicized by the Department of State. It might be well to establish, however, whether or not Mr. Dulles is making reference to some other speech. If so, consideration should be given to the source of the information concerning such other speech.
